# OBJECTIVES OF the PROJECT

4

- ▶ - Recognize any form of gender and proximity based violence;
- ▶ - create a national and international network;
- ▶ - allow multidisciplinary and multi-agency management;
- ▶ - define an integrated protocol supported by operational guidelines;
- ▶ - test of validity for elaborating a protocol and adapt it in other European countries.

# THE BEHIND IDEA

5

Principal Investigator and Project manager: IGNAZIA  
BARTHOLINI, Ph.d Palermo University (Italy)

- ▶ **MOVING THE FOCUS**
- ▶ **FROM**
- ▶ **GENDER VIOLENCE**
- ▶ **TO**
- ▶ **VIOLENCE OF PROXIMITY (or  
transit)**

# Innovative elements for the success / selection of the project

6

- ▶ The **HYPOTHESIS** of research that widened the audience of the victims not limited to women but also to minors, LGBT and elderly.
- ▶ The **IDEA**: not only gender violence but proximity violence as a transversal phenomenon
- ▶ The **METHODOLOGY**: *mixed methods*
- ▶ The **OBJECTIVES**: applicability of protocols “ad hoc” aimed at the “care” of the refugees victims of violence

## Work Streams:

WS0 Management and coordination of the project

WS1 Research of common good and bad practices

WS2. Development and test of the Provide protocol

WS3. Advocacy and replicability of the Provide protocol

WS4. Disseminations and exploration of research's results

	Start month	End month
WS0	1	24
WS1	1	7
WS2	4	20
WS3	14	23
WS4	4	24
